## Special Award for Outstanding Achievement

Nancy McCall and Cathy Reddy, Chair and Co-chair of the Membership Committee received a special award for outstanding achievement for all the work they did this season in welcoming the many new members, organizing the 50/50 bi-monthly raffles, sponsoring the Meet and Greet and Welcome Back get-togethers and finding ladies to Chair next year's committees.

Great job ladies!

Sue Peterson gave a summary of our season and reported that we are in a good financial position for the 2023-24 season due to the committees spending wisely and the monies received from the 50/50 raffles and Buddy Day. She thanked her Executive Board and Committee Chairs and then introduced the 2023-24 Executive Board and Committee Chairs and co-chairs.

Sue was recognized and thanked for her many years as President and given a bouquet of flowers and gift.

## Reminders

April 11th, 18th and 25th will be fun days with starting tee times at 12:44 pm. Individual registration through golf genius with no formal game playing only 9 holes.

Watch for KISS events sent to you by our League. They are fun to play in and always include 9 holes and lunch. Usually, only 4 members per club are allowed so you need to make your reservation in a timely manner.

Looking forward to seeing everyone in the Fall. Have a great summer wherever you call home.
