February, 2022 Issue #36

## A Crowning Event

A “royal” gathering was held on Tuesday, January 25, 2022 for the Niners Three Queens and a King golf event. It was a record turn out after a one year hiatus with 68 participants.

Seventeen “Kings” joined the ladies for a fun scramble on the back nine, adding a twist, Kings teed off from the red box.

It was a cool and cloudy day but the rain held off and Don Hibbs and his court of Queens prevailed shooting a net score of 26.

Congratulations to King Don Hobbs, Queen Lynn Schmidt, Queen Alicia Rainstein and Queen Kathi Olejnik

Thank you to all who participated in making this a fantastic event!

## Can you believe it??

The membership committee is starting to think about next season and will be looking for members to serve on the PL9GA Board as an officer or committee chairman! This is your chance to build friendships and insure that our league continues its current success. Please consider volunteering.
