A Safari Awaits PL9GA BUDDY DAY

From co-chairs Nury Duerst and Lorelee Kaschinske

It was just another typical afternoon on the African savannah where sixty brave women searched for giraffes and zebras in their natural environment. The journey began on Tuesday, February 7th on a beautiful, sunny, albeit windy afternoon. Ladies were dressed to kill in their animal prints and best safari attire.

Members of this excursion dared to pose with the "Lion King", Jessie, who was more than happy to welcome everyone.

Superintendent of Greens and his crew created an amusing mini putt-putt with a variety of safari animals and clever hippo and lion mouths for the chip-in challenge.

After everyone conquered the Savannah, travelers headed back to base camp for a mouth watering meal, prizes and awards. Diners were able to get up close to hippos, elephants, tigers, snakes, monkeys, giraffes and lions that provided a unique and entertaining environment.

As the sun started to set and the afternoon came to an end, everyone left with fond memories shared with friends. It was an enjoyable experience and a grrrrr-eat time!

KISS EVENTS

KISS events are fun events that run from May to October at various clubs throughout Lee County. They are very popular events and only allow a limited number of participants from each club, usually 4 with possibly 2 subs. When you receive your invitation to play, which will be emailed to you by our vice-president, you need to respond quickly if you want to play to be assured a spot in the event. Below is the current calendar of clubs that have scheduled their events so far. Remember, you can only respond to these events when our club receives an invitation with the pertinent information.

KEEP IT SIMPLE SUMMER "KISS" Calendar

How does it work?

Runs Summer: MAY THRU OCTOBER

9 Holes of golf and lunch ONLY

You personally send in your checks, unless otherwise stated in the KISS flyer.
