Plantation Niner News

October 2022, Issue #40

A Note from your Communication Chair

I had planned on sending out this Newsletter the first week of October but then we were unfortunately visited by Ian. With all the devastation the storm brought I decided to wait until the members who weathered the storm could get their lives back to some sort of normal and to those who have come down since the storm see what damage they may have received and start on any needed repairs.

The Board and your committees have been working hard all summer to make the 2022-23 year a fun-filled season starting with Mix and Mingle, us sponsoring opening day with the theme "Par-Tee on the Par 3's", our weekly games, Welcome Back, our special events including 3 Queens and a King, Buddy Day with the theme "A Safari Awaits", Queen Bee rounds one and two and ending with closing day sponsored by the 18 hole golfers. To make these events possible we need your continued support of your PL9GA. Inviting new ladies you meet and paying your dues now even if you may not return to Sommerset until later in the season will help make this the best season ever.
