Congratulations to our 2024 Queen Bee

Renee McConahy

Renee McConahy was crowned the 2024 Queen Bee. Cheryl Hill-Wisniewski was 2nd place and Gail Guimond and Pauline Scinta tied for 3rd place.

Afterwards, our Annual General Meeting was held. We had a great turnout. Tami McKane, our President, spoke about what a successful year we had. She thanked all members for their help and participation. She then thanked the Executive Board, as well as all Committee Chairs and Volunteers for all of their hard work. Next, Tami introduced Nury Duerst as the new President for the upcoming season. Nury expressed her excitement at becoming the new President. She is looking forward to a fun and exciting year.
